The Third Annual Natural History Week

Lectures and Nature Walks by Visiting Naturalists

June 23–27, and July 7, 2014; Morning Lectures (10:30 a.m.) / Afternoon Nature Walks (1:30 p.m.)

Monday, June 23:

“The Changing Nature of the Maine Woods”

Andrew Barton, Professor of Biology, University of Maine at Farmington

Tuesday, June 24:

“Maine Woods: Finding the Right Balance”

Kevin Doran, Natural Science Educator, Maine Forest Service

Wednesday, June 25:

“Citizen Science: Using Natural History Skills to Support Scientific Research”

Eric Jones, Assistant Professor of Botany, University of Maine at Machias

Thursday, June 26:

“Evolution and Formation of Maine's Lakes and Forest Landforms”

Julia Daly, Associate Professor of Geology, University of Maine at Farmington

Monday, July 7 — A Special Program for Children:

“Animals Without Backbones in Parker Pond”

Alene Onion, Invertebrate Biologist, New York State Department of Environmental Conservation

Admission is free, but contributions from daytime guests for the nature walks and presentations are greatly appreciated. Please reserve for any event by calling 293-2280 after June 15. Lunch is also available (\$10) during the full-day programs. Bearnstow is located at 84 Bearnstow Road in Mount Vernon. See www.bearnstow.org/contact.htm for directions to Bearnstow. Please visit www.bearnstow.org/natureweek.htm for additional program information.
